### Instructions:

Check the box next to each grape variety you have tasted. For varieties not listed here, use the blank spaces at the bottom of each section. Grape varieties that you've tried only in blends with other varieties are permitted. *Wine Name, Producer, Region & Vintage* are optional (but required if you're going for treble membership or higher). If you have at least 100 varieties checked, email this form to [info@winecentury.com](mailto:info@winecentury.com) or upload it at [www.winecentury.com/upload](http://www.winecentury.com/upload). Please note that the application is entirely on the honor system; should you lie, may the wrath of Bacchus curse your palate!
